thee...

THROUGH DEVOTION . . .

We come together each week as a student body to worship Thee. We hear sermons that serve as guideposts throughout our busy school year and remind us of the Christian atmosphere in which we study. During the week we find inspiration in our daily devotion and in the use of our meditation chapel, where as young Christians, **We Seek Thee Through Devotion.**

THROUGH STUDY . . .

We realize that an important part of our time at Luther is spent in study. We recognize the need for using, to the fullest extent, the abilities that You have given us. We want to explore the magnificent world in which You have placed us. We want to be taught the Christian viewpoint toward society. We have the opportunity to learn more of Thee, as **We Seek Thee Through Study.**

THROUGH FELLOWSHIP

We seek to be a part of the fellowship
 through which we may be brought
 into the presence of the Father
 through the Son, Jesus Christ,
 by the power of the Holy Spirit.
 We seek to be a part of the fellowship

WE'LL REMEMBER . . .

Miss Mildred Brower, for though many of us have not been aware of the long hours spent in helping our class, we now realize that there is recognition due to you. Much of your time was devoted in our Junior year to make our banquet one of the best. We will always remember the school spirit you have shown towards Luther.

Miss Rozyann Huxhold, for we are aware of the many services that you have rendered our school and especially our class. The Senior Class believes that you deserve this honor, for this is our way of saying "Thank you." You have been a member of the Girls Service Club, and helped our class by serving as Freshmen Class Sponsor. Your generous ways and pleasing smile will never be forgotten.

Mr. Harold Meier, for we believe that you are truly worthy of this special recognition. We realize all the extra hours that you have worked as Freshman Class Counselor to organize and help plan our schedules. You are responsible for making our years at Luther run smoothly and for preparing us for the future. We want to thank you sincerely for your guidance and inspiration.

Mr. A. J. Tarnoski, for the sparkle that you have put into our four years at Luther will not soon be forgotten. Your chemistry classes have always been informal and we have found it easy to learn your many mottos such as "No zinc in the sink." Your Christian example has been an inspiration to many of us.

Mr. Martin C. Duensing

SAFELY ANCHORED

Just as a ship must be anchored to a solid rock to stay in place, so must a business be anchored to a solid foundation to stay afloat. In a world of constant change and uncertainty, the only way to ensure long-term success is to be firmly anchored to the Rock that endures. This Rock is the foundation of our faith, the Rock that has stood the test of time, yesterday, today and forever. It is the Rock that gives us the strength and courage to face whatever challenges may come our way. Truth always prevails, and those who cling to it will find the path to lasting success. Let us anchor our lives and our businesses to this Rock, and we will be able to weather any storm.

Martin C. Duensing

DEAN OF STUDENTS

This has been the second year of the Student Control Program at Luther North. At the head of this program is Mr. Schroth, who has been known to Lutherites as the Chairman of the Music Department. In his new role as Dean of Students, he is confronted with many problems, most of which are dealt with in his office. They may be social problems which confront an inexperienced Freshman or an overexperienced Senior or alike. In addition to counseling, Mr. Schroth is in charge of student affairs and student government. In his new role, he helps us over the many stumbling blocks as We Seek Thee.

The past year Mr. Brettcher retired from his position as Superintendent of the Lutheran High School Association of Greater Chicago. The Board of Education of the Lutheran High School Association of Greater Chicago has appointed Mr. Menking to the position of Superintendent. We at Luther feel that they made a wise selection in appointing Mr. Menking even though we know we must be pleased here we are proud to have a man of his caliber in the position. We are confident that he will continue to bless the Association of Greater Chicago.

EDITOR'S BACKWORD

A word from the backward Editor:

Whenever someone attempts to express the parting thoughts of a yearbook staff, he or she is charged with being corny and sentimental. That was once my philosophy too, but after learning to know these 128 pages as well as my own name, I believe that the right to sentimentalize has been earned.

Morning has arrived. Our eyelids are like lead — Heavy; our minds like the middle of a doughnut — Empty — and our LOG is finished — Thank goodness.

This page probably could have been put to better use, but we used it for this purpose anyway. Although I know what I have to say, it's difficult to express it in black on white. It would be impossible at this point to begin to thank each one of you who has helped in the dozens of areas necessary for the publication of this book, or to express our humble appreciation for the many donations we received during the Patron Drive. It would probably be just as great a job to apologize to each one of you whom we have slighted or in any way offended, although I hope not.

A special thanks goes to Mr. Norman Koenig and Mr. Ernie Rubak of the Norman King Printing Company, to the Walinger Studios, and to Mr. Walter Hartkopf, our advisor. I'll never forget the times I've rushed up to the office, thinking the whole world was about to fall in, only to find Mr. Hartkopf with a simple solution.

As you may or may not know, any yearbook staff just starting out doesn't know from beans about what they're doing compared to what they know when it's over. Maybe that's why I hate to sit here writing the final bit of copy. I can see now, better than ever, some of the many mistakes we've made, but there's nothing much that can be done; it's over and gone.

But, in all seriousness, the members of the Log staff hope you have enjoyed your '60 LOG as much as we have enjoyed compiling it for you.
